

Professional Surveillance Cameras

# Compact yet powerful.

### Professional Series: 4.0MP Fixed Lens IP Mini Bullet Camera

Uniquely powerful and compact, this mini bullet delivers a wide range of features in a very condensed housing. Experience double Full HD 1080p resolution, infrared, true WDR and more in robust weather resistant metal housing.

- Stream up to 4.0 megapixel (2560 x 1440) at 20fps
- 3.6mm fixed lens with 84° viewing angle
- Day/night (auto ICR) with 40m max infrared range
- Wide dynamic range (120db) with BLC/HLC
- 3D digital noise reduction and auto white balance
- Power via 12VDC or Power over Ethernet (802.3af)
- Triple stream and smart detection technologies
- IP67 weather resistant housing for external use
- ONVIF, PSIA and CGI compliance

## Professional surveillance in a simplified package.

When installing the mini bullet, simply loosen the adjustment locking screw to tilt and rotate the orientation of the camera to suit your application.

### Large functionality on a small scale.

With only a 70mm profile, this weather resistant mini bullet still accomodates these intelligent features.

- Supports triple stream and smart detection technologies
- Power via 12VDC or Power over Ethernet (802.3af)

#### High resolution, high quality images every time.

Intelligent video processing enables perfect images in all conditions.

- Stream up to 4.0 megapixel (2560 x 1440) at 20fps
- 3.6mm fixed lens with 84° viewing angle
- Day/night (auto ICR) with 40m maximum infrared range
- Wide dynamic range (120db) with back/highlight compensation

### Robust, stylish construction for all applications.

Encased with a weather resistant metal housing and adjustable metal bracket, this mini bullet can be used for indoor or outdoor applications. The white powder coating softens the aesthetics to compliment your home decor.
