

Protect what matters most.

Watchguard™ Wireless WiFi & 4G Alarm Pack with Accessories

The Watchguard™ alarm pack is the perfect security solution. Connect to WiFi and insert a SIM card for dual protection. When connected to WiFi remote view, receive push notifications and control your alarm system via the mobile app. In the event of a power outage, the control panel 4G connection will send SMS notifications. The alarm pack is compatible with wide range of accessories to fit the security needs of any home, at any size.

- Versatile security for residences, offices and stores
- Reliable protection: In event of a power outage the control panel will send SMS notifications
- 12 hour backup lithium battery (standby)
- Connect to WiFi to control & monitor the alarm system via the phone app or receive email notifications
- Contact ID for back to base monitoring capabilities
- Connect up to 64 wireless keyfobs and 6 sirens

Real-time Push Notifications

Complete Wireless Accessory Range

Reliable Power Outage Backup

Professional wireless security from Watchguard

ALM SERIES KEY FEATURES:

Real Time Notifications

Events are sent to mobile apps instantly and by looking at the footage from the camera's users can remotely verify alarm events

Wireless Accessories Range

Watchguard's ALM Series system allows up to 150 wireless sensors, 64 additional wireless remote controls and up to 6 sirens.

Power Outage Protection

The alarm hub back up battery ensures that you stay protected and alert in the event of a power outage with system status alerts when down.

CCTV Detects, Alarms warn, Security Assured

Improve your security by connecting your alarm system to your CCTV system. Get alerted when your surveillance camera detects motion.

- Receive real-time alerts when your surveillance cameras detect motion.
